

Start	Duration	Finish	Room 1 (THEATERZAAL)	Chair	Room 2 (ZAGERIJ)	Chair	Room 3 (EXPO 1)	Chair	
08:45	00:30	09:15	Registration						
09:15	00:25	09:40	Plenary Talk by Jorge Alves (ESA) - Exploration Technologies for Future Missions @ THEATERZAAL						
09:40	00:10	09:50	Logistics Break						
			Session 9a - Planetary Robotics 6		Session 9b - Simulation, Modelling, and Visualisation 2		In-Orbit Servicing and Construction Workshop		
09:50	00:20	10:10	Paper 92 The European Moon Rover System: a modular multipurpose rover for future complex lunar missions Cristina Luna GMV	Tim Wiese	Paper 39 Multipurpose Virtual Reality Lab for Rover Navigation using Mars datasets Carlos Perez-del-pulgar University Of Malaga	Thomas Krüger	IOS Workshop (invited delegates only)	Gianfranco Visentin	
10:10	00:20	10:30	Paper 103 Dynamics of spherical telescopic linear driven rotation robots Jasper Zevering University of Würzburg		Paper 60 RANS: Highly-Parallelised Simulator for Reinforcement Learning based Autonomous Navigating Spacecrafts Matteo El Hariry University of Luxembourg				
10:30	00:20	10:50	Paper 8 Driving in Milli-G: The Flight Model of the MMX Rover Locomotion Subsystem and its Integration & Testing in the Rover Stefan Barthelmes German Aerospace Center (DLR)		Paper 63 Dynamic 3D Context Provision for Planetary environments: PRO3D Sequence Bookmarking Gerhard Paar Joanneum Research				
10:50	00:20	11:10			Paper 64 PROVEX – Approachable data provenance tracking for space missions Harald Steinlechner VRVis Zentrum für Virtual Reality und Visualisierung Forschungs-GmbH				
11:10	00:10	11:20	Logistics Break						
11:20	00:15	11:35	Conference Closure - Gianfranco Visentin & Gunter Just (ESA) @ THEATERZAAL						
11:35	02:00	13:35	Lunch @ FOYER & KETELHUIS						
12:45	01:30	14:15	Conference closed						In-Orbit Servicing and Construction Workshop IOS Workshop (invited delegates only) Gianfranco Visentin
14:15	00:15	14:30	IOS Workshop Coffee Break @ FOYER						
14:30	01:30	16:00	Conference closed						IOS Workshop (invited delegates only) Gianfranco Visentin
16:00	00:15	16:15	IOS Workshop Coffee Break @ FOYER						
16:15	00:45	17:00	Conference closed						IOS Workshop closeout Gianfranco Visentin
